Hi Victor

I did confirm for LASAN only.

Previous clean ups along LA River bike path along Fletcher Dr and Glendale Blvd, it has been CD13 office who coordinated other agencies participation.

Mary already forward request to these agencies.

Thank you.

Hi Mary,

Sorry, I am not sure if they are ok with a change to the schedule. I saw that you wrote you were ok with it if LASAN was, and that you would alert the other agencies. Bladimir replied that LASAN was on board so I thought we were ok to go.

We have communicated to the outreach teams that the date has been changed, so please let us know ASAP if this is not yet confirmed...

When you say everyone does that mean Army Corps and Caltrans, too? The must be apart of this CSLA day, Jan. 23rd as we don't want people dumping their belongings into the river or onto the Caltrans property as they did at the Dec. CSLA in December. I think LAHSA had left by the time our drive along reached north of Los Feliz Blvd. but it was a mess because the adjacent agencies were not alerted to participate on the cleanup date.

Hi everyone,

Happy New Year! I hope you all had a restful holiday break. Following up on a conversation we began at the UHRC Policy Group meeting on December 20th -- CD13 has a Hollywood CSLA Day on the schedule for Wednesday, January 23rd.

Based on the feedback we've received from our constituents, as well as our own observations in the field, we are requesting the below sites to be scheduled for CSLA Day on 1/23. That being said, we want this to continue to be led by outreach, so I wanted to communicate to all of you as early as possible regarding our intentions. I am requesting that the outreach teams be informed of the possibility of CSLA on 1/23, and to message and engage with their clients accordingly.

As I've said before, the ideal scenario is voluntary compliance, thus negating the need to have a "full" CSLA Day. I am hopeful that can be achieved.

Here are the sites we are requesting for 1/23:

1) Selma Avenue <[https://maps.google.com/?q=1\)+Selma+Avenue&entry=gmail&source=g](https://maps.google.com/?q=1)+Selma+Avenue&entry=gmail&source=g)> :

(B/W CHEROKEE AVE / LAS PALMAS AVE)

2) Carlos/Gower area:
